

# AKTIV8 LUNCH & LEARN

WEDNESDAY, NOVEMBER 15, 2023 • 12:00 PM – 1:00 PM  
308 S. ROGERS LN., RALEIGH, NC 27610

Please join Ferguson and the Fresh-Aire UV team for a training at our Raleigh location. The training will be introduction and familiarization with the AKTIV8 in-duct dual active air treatment system. Learn how the AKTIV8 neutralizes biological contaminants such as mold, bacteria and viruses that circulate through the ventilation system and enjoy lunch on us!

The training will cover:

- Installation
- Benefits of using AKTIV8
- Meet the Fresh-Aire UV team
- Enjoy lunch on us

Registration is required. Scan or click the QR code to sign up  
For more details, ask your favorite Ferguson associate.
