OPERATION RETURNING COMFORT

VALID THRU MARCH 31, 2025

Daikin understands that many homeowners will be faced with large, unplanned expenses as they recover from the devastation caused by the hurricane and flooding.

What is the Offer?

Daikin is offering 10% in discounts on Daikin, Amana or Goodman systems (including ductless) for a limited time, provided the savings are passed directly to affected homeowners.

How will it work?

To receive special discounts, dealers must fill out a participation form with the affected homeowner – ask your branch or distributor for a copy of the form and flyer for homeowners.

With completed form, dealers will be eligible for special discounts. Daikin's Home Owner Support Department will make random calls to homeowners to audit claims and confirm they have received appropriate pricing.

DAIKIN COMFORT TECHNOLOGIES NORTH AMERICA, INC.

* Three systems per one transaction (or per home). Packaged units are defined as a single system. Dealers may receive discounted promotional pricing associated with Operation Returning Comfort only if they provide completed and signed forms, per above guidelines. Dealers cannot apply discounted promotion pricing to installations that are not flood-related. Home Owner Support Department will audit all claims. Dealers determined to be in non-compliance with program guidelines will no longer be eligible for promotional pricing associated with Operation Returning Comfort. In stock equipment only. Pick up only, no deliveries. No rainchecks. Offer may not be combined with any additional offers. Promotional prices are not applicable to residential new construction or multi-family projects. Additional restrictions apply, ask for full details. Not valid for large AOR contractors or distributors. Actual prices may vary by distributor. Valid only at participating locations. Offer may be altered or discontinued without advance notice. Void where prohibited by law. Offer valid thru March 31, 2025.
